

NETWORDS  
THE EUROPEAN NETWORK  
ON WORD STRUCTURE

**FOURTH CALL FOR**

SHORT VISIT GRANTS

*NetWordS* invites applications for travel grants covering **short visits** (up to 15 days) to support front-line, highly interdisciplinary research in Europe on word structure, word acquisition and word processing.

Short visits are intended to promote intensive collaborative work involving two research teams from different countries, focusing on interdisciplinary collaborative activities geared towards the following short- and mid-term objectives:

*NetWordS* final conference (Pisa, March 30<sup>th</sup> – April 1<sup>st</sup> 2015)

*NetWordS* joint editorial initiatives

*NetWordS* follow-up project initiatives

Priority will be given to those proposals that are shown to be connected with other companion proposals, thus being part of a larger effort which is demonstrably connected with the above mentioned *NetWordS* 2015 objectives. Proposals need to involve at least one applicant from a research institution/laboratory that is already connected through *NetWordS*.

Reimbursement of travel expenses will be administered through the ESF. Grants cover actual travel expenses up to a maximum of 500 EUR per participating site, plus a per diem of 85 EUR.\*

Applications should include the following items:

- a description of the project work (about 250 words) and the aim of the visit
- short CV of applicants from the two teams involved (max 1000 words), including a list of relevant publications (max 5)
- proposed meeting dates and estimated travel costs.\*

Applications should be submitted through the *NetWordS* CALL submission page ([www.networks-esf.eu/index.php?page=Call](http://www.networks-esf.eu/index.php?page=Call)).

**Deadline for applications: September 30<sup>th</sup> 2014.**

Notification of results: **October 20<sup>th</sup> 2014.**

\* ESF guidelines available [here](#).
